Here is what you get with each rental

Dx Range

"A great all rounder suitable for cleaning multiple rooms"

This machine is ideal for any carpets or upholstery you get 25m of hose with this machine so please if the area to be cleaned is on the upper floor please make sure 15m hose will reach as lifting the machine is not recommended.

A professional machine teams up well with the Deluxe Scrubba tool. Can be used with up to 20m of hoses.

This makes the cleaning process so much easier it has its own power brush and plugs directly into the machines.

This attachment is heavy to lift once on the carpet area then no lifting is involved.

Scrubba attachment (for Cx/Dx/Exel only) Day Rate £20

All machines are supplied with hoses and a standard carpet wand, as shown above.

All the machines we supply are professional equipment and used by our company

Cleaning chemicals are included in the hire costs but specialist cleaning treatments (stain removal) are chargeable products. Clean rite can supply extra chemical packs at £5.00 per pack this will give you enough to clean 4-5 average sized rooms.

Extension hoses are available to avoid lifting machines as they are heavy.
